

LOMPOC AYSO PLAYER EVALUATION

Coaches:

Please take some time to evaluate each of the players on your team. Use page 2 as a guide for evaluating each member of your team. Think about the descriptions for each item. Give a rating, to the best of your ability for each. When you are finished, simply add all of your scores together.

Please pay special attention to instructions for assessing players currently in U8 who will be moving up to U10 next season.

You must fill out page 3 for your entire team, listing each player in alphabetical order, and provide this page to your Division Director. The player evaluation forms are crucial for balancing our teams. These ratings and your recommendation if player is allstar material does not qualify a player to be selected for allstars.

FAILER TO SUBMIT FORM MAY DISQUALIFY YOUR TEAM FROM THE END OF YEAR TOURNAMENT.
