Attached, you will find a game schedule, snack schedule, team roster, and other information.

Here are a few important facts you need to know:

- \* Shinguards are an absolute must; your child CANNOT play without them (games & practices).
- \* No jewelry (including earrings and watches).
- \* General Rules: 6 v. 6; 4 10-minute halves; U8 has goalies; no offsides; no headballs.
- \* Also, have them bring their own water bottles for both games and practices.
- \* Please have your child bring a ball to practice if they have one.
- \* **Punctuality is very important. Please have your child at the games and practices 15 minutes prior to the scheduled start time.**

The most important thing to remember this season is why we are here. We are here for our kids. With that being the case, please help us to teach the children good sportsmanship and help us to build their self-esteem. Please help us praise your child and all of the children on the team for the job they have done. Most of all, let's remember the top six reasons our kids are here:

To improve their soccer skills  
To learn to play as a team  
To learn sportsmanship  
**To have FUN!**  
**To have FUN!**  
**To have FUN!**

Please help us to join our children in having a FUN season!

We always need and welcome your assistance in working with children.

Please call me if you have any questions. I look forward to having a rewarding season with your child.

Regards,
