

Region 75 Refund Policy For 2017 Fall Season

If you register a player and then decide that the player will not play in Region 75, **please notify us as soon as possible**. Refunds will be issued according to the following guidelines:

PLAYER WITHDRAWAL NOTIFIED TO REGISTRAR	REFUND
On or before July 31	FULL REFUND (except for non-refundable \$17.50 fee paid to AYSO National)
After July 31 in situations described below	See Note (1) below (except for non-refundable \$17.50 fee paid to AYSO National)
August 1 - September 30 if situation not described below	50% REFUND ²
After September 30 if situation not described below	NO REFUNDS ³

Notes:

1. We will issue full refunds (**except for non-refundable \$17.50 fee paid to AYSO National**) **after July 31 only** in the following situations:
 - The family moves away from Whittier and the adjacent communities, such that it would be unreasonable to expect the player to continue to participate in Region 75.
 - The player is in our 5U or 6U division but does not participate in any practice or game.

We will issue **full refunds after July 31 only** in these situations:

- We are unable to place the player on a team (this exception will not apply once we have assigned a player to a team).
- The player is unable to participate because of an injury or illness that arose after July 31.

2. 50% refunds are contingent upon return of uniforms either unused, or clean and in good condition.

3. Except when we are unable to place a player on a team, or at the discretion of the Regional Commissioner.

Only the Regional Commissioner or Regional Registrar may make an exception to these rules.

Please **e-mail** any refund request to the Registrar. Refunds will be issued by refund or credit to the credit card used for payment. Refunds will be issued by check (to the original submitter of the registration) only if the cardholder no longer has this card or a refund or credit to a card is not possible for some other reason.

Please note that requests received on or before July 31 may not be processed for up to three weeks.

Please note that requests received after July 31 will be processed by October 1. Only one person is handling registration, and that person is overwhelmed with work in the second part of the summer. Thanks for your patience.
