

## **AYSO REGION 249 5U/Schoolyard Soccer Program**

Parents,

*Currently we are unsure whether we will be able to proceed with our 5U program. By Mid July we hope to hear from our county and city officials whether it will be safe to have a soccer program for our children. At this time we will continue with planning for our soccer season. Please register your child for the waitlist and we will let you know by Mid-July whether we will have our 5U program start in August.*

To ensure that your **2020 5U/Schoolyard "One with One"** soccer experience is a success for your child, Monday August 10, 2019 is your first opportunity to take the Basic Parents SafeHaven course. It lasts approximately 30 minutes and will be given at the lower Crestmoor Field starting promptly at 6pm. Remember, this course is Mandatory for the parent that will be participating on the field in our eight soccer training sessions. Parents must attend a Basic Parents Safe Haven course before the child may participate and receive a uniform and soccer ball. Immediately following the Safe Haven course, a uniform will be given to your child.

The "**One with One**" soccer experience sessions start the following Monday, August 17th from **6:00 pm to 7:15 pm** and continues through October 5th on Monday nights. August 17 is also the 2nd opportunity for parents to attend a Basic parents Safe Haven course that will be offered at 5:30 pm. The remaining uniforms will be handed out to players whose parents attend the course.

Then the fun really begins. Parents should wear comfortable clothes as you will be playing soccer with your child – “One with One.” You will be leading them through warm ups, stretching and each evening 5U/Schoolyard “One with One”- designed soccer drills. The sessions will end with the players in a short sided organized game while parents help coach, referee and provide positive support and encouragement. Snacks will be provided for the players each night.

(Within the first few weeks of August, all registered players will receive a reminder email. You can also check our website for updates at our website [San Bruno AYSO](#) )
