

AYSO REGION 249 5U/Schoolyard Soccer Program

Parents,

To ensure that your **2021 5U/Schoolyard "One with One"** soccer experience is a success for your child, Monday August 9, 2021 is your first opportunity to take the Basic Parents SafeHaven course. It lasts approximately 30 minutes and will be given at Crestmoor Field, located at 275 Courtland Driven in San Bruno, starting promptly at 6pm. This course is mandatory for the parent that will be participating on the field during our eight week soccer training sessions. Parents must attend a Basic Parents Safe Haven/5U informational course before the child may participate and receive a uniform and soccer ball, which will be distributed after the training.

The "**One with One**" soccer experience sessions start the following Monday, August 16th from **6:00 pm to 7:15 pm** and continue through October 4th on Monday nights. August 16th is also the 2nd opportunity for parents to attend a Basic Parents SafeHaven course that will be offered from 5:15 pm to 5:45 pm.

Then the fun really begins. Parents should wear comfortable clothes as you will be playing soccer with your child – "One with One." You will be leading them through warm ups, stretching and each evening 5U/Schoolyard "One with One"- designed soccer drills. The sessions will end with the players in a short sided organized game while parents help coach, referee and provide positive support and encouragement.

We will be adhering to CDC/Local Health Department guidelines for youth sports. As things are quickly changing, we will update you a few weeks before the season starts to advise of any new updates.

(Within the first few weeks of August, all registered players will receive a reminder email.)
