Step 6: Team record

We here at Region 106 will be working to make this a competitive tournament for all team levels, so that all teams may enjoy the tournament. We would like to place teams into appropriate competitive brackets, and will try our very best to do so. Please take time to tell us about how competitive your team is by using the “NOTES,” section.

(Please disregard the top portion)

For example if you are a Spring Select team who has only been together a short time we would like to place you in a bracket of similar teams. Just as if you were an Extra team which has just won the Champions Cup we would like to place you in bracket with teams that will give you a competitive game. Also you may be an EXtra team that just started, you may not want to be placed in a bracket with

teams which have been together for multiple years. If you feel your team is very competitive, won a tournament(s) already, and or are thinking about taking your team to Extra we want you to be placed in a bracket or age group that will challenge your team.

Step 7:

Just reminding you of the referee deposit.

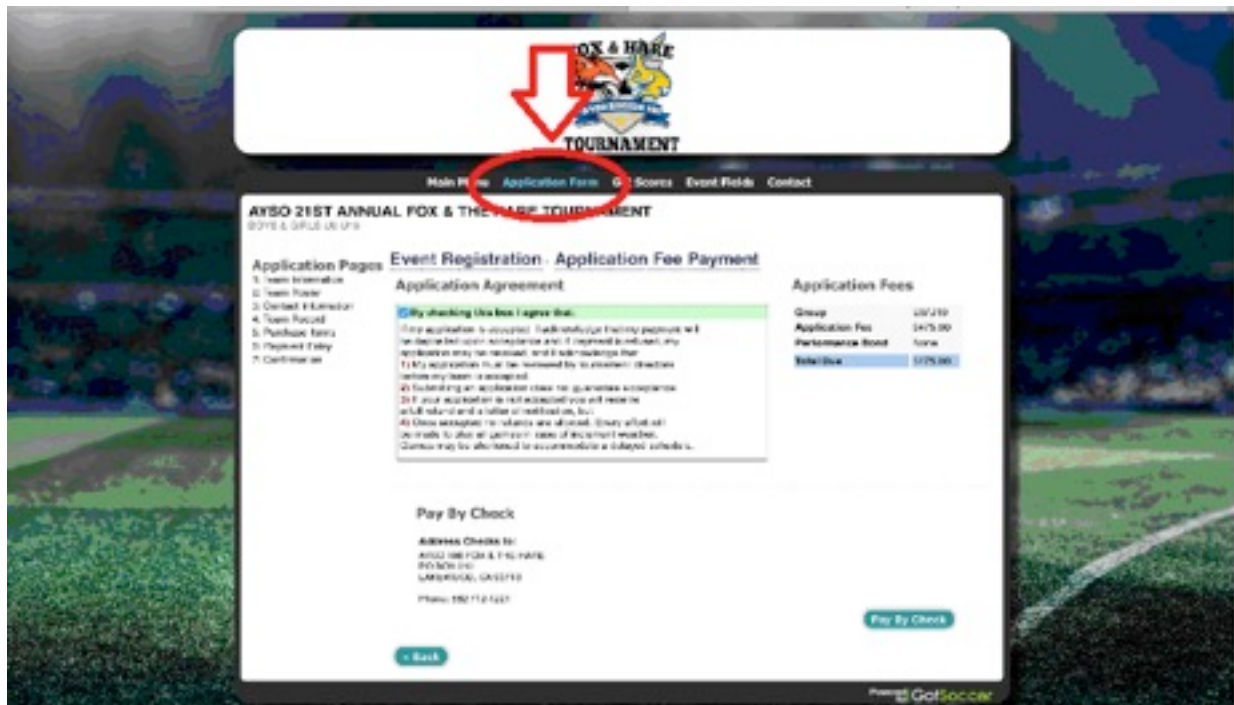

T-shirt orders can be placed via our website.

Step 8: Confirmation page

Confirmation page. Please note the referee deposit is not included in this fee. Please send one Region Check to cover the Tournament Fee and Referee deposit.

Final stage: Tournament approval
