AY-CS003 Form Filler Instructions

Open the AY-CS003 – AYSO Player ID Cards Form Filler PDF file.

If you don't have a PDF reader, you may download it at adobe.com

Fill the form with your player's information. The date of birth has to be entered in the format DD/MM/YYYY, including the forward slashes.

Printing:

Setup the print job on Adobe Acrobat as well as your printer to **Letter Size Paper, Actual Size, Portrait, Plain Paper.**

Your actual printer setting may vary but it will be something similar to the above settings.

It is preferred that you manually feed the paper, if your printer has this option.

It is ideal if your printer has a straight pass option, which is, the paper will go straight thru the printer (You feed the paper from the front and it comes out the back or vice versa).
