AMERICAN YOUTH SOCCER ORGANIZATION

SECTION 14 STATE GAMES RULES

We cordially invite you to register your Regions teams in the
2023 Section 14 State Games.

Philosophy of the State Games:

1. The *Section 14 State Games* are designed to provide AYSO players with the opportunity to participate in tournament play, to experience and enjoy a competitive environment. In order to make the State Games an enjoyable and rewarding experience for the players participating in the tournament:
 - a. Teams must be balanced in keeping with AYSO philosophies. Any region sending more than one team in the *same flight* and *same age group* must balance each of the teams.
 - b. Two flights will be provided **wherever possible** so regions with competitive or League Play teams may compete with teams of comparable skill and experience, while regions with recreational teams also compete against comparable teams.
 - c. Competitive or League Play teams participating in the *Section 14 State Games* must follow all the requirements of each of the six AYSO Philosophies in all tournament and competitive play.
2. The *Section 14 State Games* are designed to be **FUN**, and an enjoyable experience for AYSO players, coaches, referees, and their families. The State Games provide an opportunity for all AYSO regions in Florida and Section 14 to compete in a **friendly** environment and should be an enjoyable experience for all participants.
3. The Section 14 State Games will be administered pursuant to the AYSO Kids Zone concept.
 - **Kids are #1**
 - **Fun – not winning – is everything**
 - **Fans only cheer, and only coaches coach**
 - **NO yelling in anger**
 - **Respect teammates and opponents**
 - **Respect the volunteer referees**
 - **No swearing**
 - **No smoking**
 - **Leave no trash behind**
 - **Set a proper example for our children**

Statement of Policy:

This tournament will be conducted under the Laws, Rules, Regulations and Guidelines found in the “FIFA Laws of the Game” (AYSO 2022/2023 Edition). Any applicable amendments or modifications to these policies are specified below in these Rules and Regulations governing the State Games.

I. Name and Location of Tournament

2023 AYSO Section 14 State Games, Okeeheelee Park, 7715 Forest Hill Blvd., West Palm Beach, Florida.

II. Tournament Dates

January 13 – 16, 2023

III. Tournament- Age Brackets

The tournament is open to all AYSO Regions Boys’ Divisions 10U through 19U and Girls’ Divisions 10U through 19U

The age group eligibility is as follows:

10U: 10 Under years of age - Date of birth 1/1/13 thru 12/31/14

12U: 12 Under years of age - Date of birth 1/1/11 thru 12/31/12

14U: 14 Under years of age - Date of birth 1/1/09 thru 12/31/10

16U: 16 Under years of age - Date of birth 1/1/07 thru 12/31/08

19U: 19 Under years of age - Date of birth 1/1/04 thru 12/31/06

Players will be permitted to “play up” in all of the age groups listed above *provided that the player(s) “played-up”* during the current or most recently completed regular season; with the exception that as a consequence of the heading restrictions enforced for 12U players, 12U players may **not** play up in the 14U bracket. The verification of eligibility is the regional commissioner’s responsibility. Age-appropriate players *should* be given first priority in the selection process.

Players required to “play-up” during the most recently completed regular season due to a lack of sufficient available players to field regional competition in a particular age division, will be permitted to “play down” to their age-appropriate division with the permission and verification of the area and section directors. No other exceptions for “playing down” will be permitted.

IV. TEAM FORMATION - Player Eligibility

Each team must have the approval of their regional commissioner to participate in the Games. Each region shall determine the method used for team selection, providing that each player’s eligibility meets, at a minimum, the following requirements:

- A. 10U, 12U, 14U, 16U & 19U may be represented in both the boy’s and girl’s divisions. Each region is guaranteed placement of at least two teams in each of the divisions, provided the region has sufficient players to meet the minimum

Age Division	10U	12U	14U	16U	19U
Format	7 v 7	9 v 9	11 v 11	11 v 11	11 v 11
Minimum number of Players on the field	5	6	7	7	7
Minimum number of Players on the Roster	7	9	11	11	11
Maximum number of Players on the Roster	10	12	18	18	18

roster requirements in the division, and each team entered meets the minimum roster requirements. Regions desiring to send more than two teams in a division must get permission from the Tournament Staff; with decisions to accept additional teams decided on a first-come, first-served basis depending on field availability and staffing limitations. The minimum roster requirement for 10U is 7 players, with a maximum of 10. In 12U, the minimum is 9, with a maximum of 12. In 14U, 16U and 19U, the minimum is 11, with a maximum of 18. The number of teams entered in any division may be restricted or limited depending on field availability and staffing limitations. All players on the roster must play at least fifty percent of each game.

- B. All players must have a valid, laminated AYSO ID card (player pass) issued by the Regional Commissioner. Only official AYSO Section 14 State Games ID Cards (included in the declaration packet) will be accepted and must contain the following:
 - 1. Type or print required player information on AYSO ID card.
 - 2. Attach recent picture of player to card.
 - 3. Each Regional Commissioner is required to sign the player ID Cards.
 - 4. Player's signature is required.
 - 5. ID Card shall be laminated.
 - 6. Players can only play for one team.
- C. Each Regional Commissioner is responsible for assuring the eligibility of all players on his/her teams.
- D. Each player participating in this tournament must have played no less than 50% of the most recently completed primary season and **must have been registered and paid for at the AYSO National Office by November 15th of the current (2022) Fall Season**. Players may only play in the AYSO Section 14 State Games for the Region in which they played the Fall/Current season. Accommodation may be considered when appropriate for regions that cannot roster a full team in a division and are willing to combine with another region to form a team. In each such case, a request approved by the regional commissioners and area directors involved must be submitted in writing to the Tournament Rules Committee by mail to the address provided for registration submissions.
- E. If a Region is unable to fill a team or a player was unable to participate in 50% of the regular season the Area Director(s) may request a variance (*official permission to bypass stated regulations*), providing that the Regional Commissioner(s) submit in writing sufficient justification. This written request shall then be submitted to the Tournament Rules Committee for final approval.
- F. Regional teams and players participating in AYSO Section 14 League Play may participate in the Section 14 State Games. Players on League Play teams **must have been registered and paid for at the AYSO National Office by November 15 of the current (2022) fall season**. Regions entering League Play teams composed primarily of players that do not participate in the primary season must form these teams pursuant to the Section 14 League Play Guidelines, and the team must participate in Section 14 League Play events where appropriate. Where applicable, teams entered pursuant to this subsection will be assigned to the same flight.

V. TEAM FORMATION - Region Eligibility

Each region **must** hold a current financial standing with the National Office and with the AYSO Supply Store **by December 10, 2022**, in order to be eligible to participate in the AYSO Section 14 State Games. There will be NO overtime periods in preliminary round play.

- In the spirit of AYSO's fair play and sportsmanship blow-out games should be avoided. While the tournament staff will do their best to match teams with equal skill, we expect coaches to motivate their teams to play a competitive but fair game. Coaches need to find ways to encourage their players to make scoring more challenging.*
 - In the event that a tie exists when determining the top teams in each preliminary round group/division, the following tiebreaker format will be used:
 - Head-to-head result,
 - Goal Difference: Goals Scored – Goals Allowed (max. 3 goals per game)
Ex: a 10 to 5 game = +3 or a 4 to 2 game = +2,
 - Fewest goals allowed in the tournament,
 - Fewest red cards, then yellow cards received.
 - If teams are still tied, the tournament will have a designated time for the teams to report for a two (2) 15-minute period game. Winner will be determined by outcome of the game.
 - If teams are still tied, the tournament will have a designated time for the teams to report for penalty kicks to determine the winner.
- I. If a quarter final, semi-final, or final match is tied at the end of regulation time, ties will be broken as follows:
- In the 12U-19U age groups there will be two (2) 10-minute overtime periods commencing 5 minutes after the end of regulation time. In the 10U age group, two (2) 5-minute overtime periods will be played. Kickoff will be determined by a coin toss. Substitutions can only be made at the beginning of

- each overtime period.
2. If the game is still tied at the end of the second overtime period, the match is decided by kicks from the penalty mark. *See procedure for penalty kicks*
 - a. In 12U-19U age groups penalty kicks will proceed from the penalty mark using the rules described below. In the 10U age group, penalty kicks will proceed from the bottom of the arc of the center circle nearest the goal, without a goalkeeper.
 3. Procedure for Kicks from the Penalty Mark
 - a. The referee chooses the goal at which the kicks will be taken
 - b. The referee tosses a coin and the team whose captain wins the toss takes the first kick.
 - c. The referee keeps a record of the kicks being taken.
 - d. Subject to the conditions explained below, both teams take five kicks. Only players on the field at the conclusion of the second overtime are eligible to take a kick from the penalty mark.
 - e. The teams take the kicks alternately.
 - f. If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete five kicks, no additional kicks are taken.
 - g. If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks continue to be taken in the same order until one team has scored a goal more than the other from the same number of kicks.
 - h. A goalkeeper who is injured while kicks are being taken from the penalty mark and is unable to continue as goalkeeper may be replaced by a named substitute provided his team has not used the maximum number of substitutes permitted under the competition rules.
 - i. With the exception of the foregoing case, all eligible players are allowed to take kicks from the penalty mark.
 - j. A different player takes each kick. All eligible players must take a kick before any player can take a second kick.
 - k. An eligible player may change places with the goalkeeper at any time when kicks from the penalty mark are being taken.
 - l. Only the eligible players and match officials are permitted to remain on the field of play when kicks from the penalty mark are being taken.
 - m. All players, except the player taking the kick and the two goalkeepers, must remain within the center circle.
 - n. The goalkeeper who is the teammate of the kicker must remain on the field of play, outside the penalty area in which the kicks are being taken, on the goal line where it meets the penalty area boundary line.
 - o. Unless otherwise stated, the relevant Laws of the Game and International F.A. Board Decisions apply when kicks from the penalty mark are being taken.
 - p. When a team finishes the match with a greater number of players than their opponents, they shall reduce their numbers to equate with that of their opponents and inform the referee of the name and number of each player excluded. The team captain has this responsibility.
 - q. Before the start of kicks from the penalty mark the referee shall ensure that only an equal number of players from each team remain within the

center circle and they shall take the kicks.

XVI. SUBSTITUTION

- A. Except as noted below, all registered players in attendance at games must participate and play at least half of the game, excluding overtime. In all Divisions, goalkeepers must play at least half the game, but are not required to also play as a field player. 10U goalkeeper regulations will be exempt for tournament play (The goalkeeper may play entire game).

Stoppage is made when the ball is out of play, such as during a throw-in, goal kick, or following a goal. Additionally, substitutions may be made at half time. Coaches of each team may substitute as many players (or none) during such interruptions, as long as all substitutes have played at least half of the game by the game's end.

- G. Substitution for injury:
 - 1. If a player is injured, the coach may provide a substitute for the player, in which case the injured player may not return until the beginning of the next time period.

 - 3. The player must be recognized by the referee to legally return to the game.

- I. Late arriving players shall be substituted as follows:
 - 1. If the player arrives during the first quarter, the player must play a minimum of two (2) of the remaining three (3) quarters.
 - 2. If the player arrives during the second or third quarters, the player must play a minimum of one (1) quarter.

XVII. FORFEITS

- A. All games shall start on time. If a team is not on the field of play and ready to start the game within 15 minutes after the scheduled time, the game shall be deemed a forfeit at the referee's discretion. A forfeit shall be recorded as a 1 - 0 win in favor of the opposing team.
- B. No game shall start or continue if either team has less than the minimum number of players. This will result in a forfeit to the team without sufficient players to continue the game. If during the game, a team has less than the minimum number of players due to an injury, the referee may suspend play until the injured

player is able to return to the field.

The referee will have the authority to delay the start of play, to call a halt in play, or cancel the match due to weather conditions that, in the opinion of the referee, endanger the safety of the players. Each venue site should be consistent in the application of halting play on their fields.

XXI. SPORTSMANSHIP AWARD

In the spirit of AYSO's philosophy of fair play and sportsmanship the State Games Tournament will once again offer the Sportsmanship Award.

Sportsmanship points will be awarded to each team by the tournament staff with input from the referees at the conclusion of each game. Each team will be evaluated and awarded points in accordance with the attitudes of their players, coaches, and spectators before, during and immediately after the game. A maximum of five points will be awarded in the following categories:

- Cooperation of the players
- Cooperation of the coaches
- Cooperation of the team spectators
- Overall game conduct
- Uniform appearance
- Courtesy toward referees and field monitors

Sportsmanship points will be deducted for every caution or send off. This includes players, coaches and/or spectators. No points will be awarded to a team that abandons or forfeits a game: or does not play all available rostered players at least one half of the game as required by these rules of the game.

Each division and gender will award a sportsmanship award. The team with the highest total sportsmanship points will be honored for overall outstanding sportsmanship and will receive a trophy. The region/team receiving the trophy will have guardianship of the trophy for a one-year period, after which the trophy will be required to be returned to the State Games Committee prior to the following year's State Games for distribution of the next winner.

XXII. GAME CONDUCT

All games will be conducted in accordance with the current FIFA and AYSO Laws of the Game and decisions of the Tournament Committee in effect.

Bullhorns, megaphones, whistles, bells, or other noise making, or amplifying devices are not permitted at the Games.

Coaches are responsible for the actions and conduct of their teams, spectators, and parents. The Tournament committee expects that an appropriate environment and atmosphere will be maintained throughout the event and that all participants will support and enforce the AYSO Vision and Mission Statements by strictly adhering to the six AYSO philosophies and Kid Zone requirements.

XXIII. PROTESTS

Protests must be filed in writing with the Tournament Committee within 24 hours of the incident or situation in question. Scoring questions should be brought to the attention of the Tournament Committee immediately for investigation and resolution.

XXIV. INTERPRETATION AND APPLICATION

Although these ***State Games Rules and Regulations*** are designed to be comprehensive and are intended to anticipate and apply to all aspects of Section 14 State Games administration and play, the Committee recognizes that in the supervision, administration and play of the Games, unanticipated or unforeseen situations may occur which are either inconsistent with the objectives of AYSO Section 14 in sponsoring and administering the Games, or are not specifically, fully or adequately addressed by these rules. In the event that such an unanticipated or unforeseen situation is brought to the attention of the Committee, the Committee is authorized to immediately meet to discuss the applicability of the provisions of these rules to the specific situation. If necessary, in its discretion, the Committee may interpret, modify, or amend these Rules and their application to appropriately protect the integrity of the Games in a manner consistent with the goals and objectives of AYSO Section 14 in sponsoring and administering the Games.
