There are three kinds of members in the Area:

While RCs of Pilot Regions generally have most of the rights and responsibilities of their peers in Chartered Regions, they are not Executive Members and, therefore, do not have the right to vote, including at the National Annual General Meeting (NAGM) or in connection with the nomination of an Area Director (See Bylaws 1.05, 1.06, and 7.02). The Area Director (AD) is also an Executive Member, with voting rights on the Area and Section Boards, as well as, voting rights at the NAGM.

Participating Members: All properly registered and accepted players and volunteers (except for RCs and the AD) within the associated Regions and Area are Participating Members.

Honorary Members: An Honorary Member is someone who has rendered outstanding or extraordinary service to the Organization, as recognized by the National Board of Directors (NBOD).

The names, addresses, and telephone numbers of all members of the associated Regions and Area, as well as, the information contained in the AYSO Executive Member Directory (EMD) or any AYSO database are private and confidential. - h. AYSO Playground, Schoolyard, VIP, 6U, and 8U teams are not eligible for Area playoffs.
- i. No roster additions or substitutions may be made for any reason to any league team after the deadlines established under these Guidelines, except under the following conditions:
 - 1. The team has fewer players on the roster due to having played the season with less than twelve players in the 19U, 16U, or 14U divisions, or the specified number of players under the 10U and 12U short-sided play National programs.
 - 2. The additional player(s) is (are) selected by a “blind random draw” conducted by the Region Commissioner from all remaining players on rosters that are eligible for playoffs within that Region’s division
 - 3. The roster is not expanded to greater than thirteen players in the 19U, 16U, and 14U divisions, or the specified number of players under the 10U and 12U short-sided play National programs.

- j. Under no condition may replacements, additions, or substitutions be made for any reason to any league team after the team’s first scheduled game in the Area competition, or such earlier deadline as the Area Director may establish.

4. All-Star Competition

- a. The All-Star program is intended to provide an opportunity for those players who have demonstrated outstanding soccer ability and who have displayed an attitude of fair play, enthusiasm, and cooperative team spirit to participate on a team composed of players who have similar qualifications.
- b. All-Star teams are currently not formed for Area/Section play in 16U & 18/19U divisions.
- c. All-star teams shall be formed no sooner than November 15 for all 14U,

12U, and 10U divisions, unless a written exception is submitted to the Area Director, and is approved by the Area staff prior to requesting region's start of season. This means that players may not be confirmed as being on an all-star team; no final roster may be published; no team meeting may be had; no practice may be conducted; and no tryouts may be held until November 15.

- d. Between November 1 and 15, coaches may, however, receive nominations, or recommendations, inquire as to whether or not a player will be available to play, if chosen for the team, and evaluate players. A final team roster shall be given to the Area Director on or before a date established by the Area Director. This date shall be before the team's first scheduled game in Area competition, or such earlier date as the Area Director may establish.
- e. Under no condition may replacements, additions, or substitutions be made for any reason to any All-Star team after the team's first scheduled game in the Area competition, or such earlier deadline as the Area Director may establish.
- f. Each Region shall determine its own competitive format.
- g. In order for a coach to be eligible for Area All-Star Tournament competition:
 - 1. The coach must be a current year AYSO registered volunteer.
 - 2. The coach must have completed the AYSO Safe Haven and CDC Online Concussion Awareness courses and certifications within the last two years. The coach must also have completed Sudden Cardiac Arrest (SCA) training; completed a one-time LiveScan printing for AYSO (California mandate); and be current on SafeSport training (US Soccer mandate).
 - 3. The coach must have completed and received credit for AYSO coach training for the age level of the team they are coaching according to the following table:

10U	10U AYSO Coach Training Course (with field training)
12U	12U AYSO Coach Training Course
14U	AYSO Intermediate Coach Training
16U	AYSO Advanced Coach Training

- h. All-star players must compete in the division in which they participated in during the regular season. However, Regions that desire to play 10U through 19U matches intra-regionally, and are unable to field a minimum of four teams per division, may combine players from within 10U through 19U for that intra-region play. The decision to utilize this format shall be announced before the season start, and the Region must obtain the approval of the Area Director. A Region playing with this format may create All-star teams for 10U through 19U with players of the appropriate age to participate in Area play.
- i. The Area may not exclude a Region from participation in post-season all-star team play because of the format used by the Region in regular season play.
- j. To be eligible for all-star competition, a player must have been registered and played in at least half of the total number of league games played by the team to which he/she was assigned during the just concluded regular season as defined in the National Rules and Regulations. League games shall be the games played by that team before playoffs within the Region.
- k. Special circumstance eligibility may include a change of residence, an illness, a soccer-related injury, parental custodial rights, and conflict with high school rules (CIF). The Region Commissioner must obtain approval for special circumstance eligibility.
- l. In order to maintain uniformity of application of these Guidelines, all teams, including tournament and select teams, shall be governed by the rules applicable to all-star teams, including the rule relating to the date for formation. The National Rules and Regulations shall govern all tournaments held in Area 10D.

5. Area Tournament Guidelines

The Area Board will publish Area Tournament Guidelines annually upon acceptance. These guidelines are specific to each tournament.

6. Paid Trainers

Area 10D fully supports the AYSO National Policy Statements, including Article 2.5 AYSO Activities – Paying AYSO Volunteers. The basic premise

of the article states:

AYSO is a volunteer organization and does not condone or approve of the use of paid volunteers such as trainers or coaches. The use of such personnel is contrary to the basic philosophy of AYSO.

In addition, any training conducted within Area 10D must meet the following conditions:

1. It must be sponsored by Area 10D or a Region within the Area.
2. The training must be conducted at an insured facility.
3. The training must be open to all players, coaches, or volunteers within the Area or Region.
4. The training must be communicated to all the members of the Area or Region through newsletters, parent, coach, referee, or volunteer meetings.
5. The trainers must be certified through AYSO's Safe Haven program.
6. All fees for training must be collected by the Area or sponsoring Region.
7. All payments to trainers must be paid by the Area or sponsoring Region.

Any volunteer or coach who violates this policy will be prohibited from participating in Area Tournaments.

7. Sponsors

The Area encourages local businesses and individuals to support its programs. Suitable recognition shall be given to them. In addition, the Area strongly encourages the Regions to support AYSO National sponsors in whatever manner possible, and conflicts with these sponsors should be avoided. Contributions are strongly encouraged to be made to the Regions rather than to the Area. All such contributions are considered charitable contributions and are deductible for U.S. tax purposes, subject to the applicable limitations in the Internal Revenue Code.

ARTICLE EIGHT

FINANCIAL, BANKING, AND RELATED MATTERS

1) Budget Financial Statement

The Area Board shall adopt an annual budget that shall provide for setting Area fees. (See Article 7, Paragraph 1). At the end of each season, the Area Board shall cause to be prepared a statement of income received and amounts expended in connection with the program. The Area Board and staff shall make such statement available for review, and a copy shall be made available upon reasonable request.

2) Account Signatories

All checks drawn on the Area's bank account shall bear two signatures; one of which must be either the Area Treasurer or the Area Director. Two signatories from the same household or those with common business ownership shall **not** be allowed. There must be at least three signatories on the Area bank account.

3) Immediate Accounting to Area Treasurer

The Area Treasurer, in cooperation with other Area Board and staff members, shall establish internal control procedures to safeguard against the misuse or loss of Area assets, especially in regard to the immediate accounting to the Area Treasurer for monies received, checks written upon the Area bank account, invoices received for accounts payable by the Area, and requests for reimbursement to Area volunteers for out-of-pocket expenses incurred on behalf of the Area. Such internal control procedures shall include the following:

- No one should sign an Area check in blank or which contains any item to be filled-in later.
- No one should sign an Area check without verifying the expense by examining the invoice or request for reimbursement.
- No request for reimbursement to Area volunteers shall be honored without a written request signed by such volunteer, itemizing the out-of-pocket expenses incurred, and with supporting receipts or other documentation attached.

- All bills and invoices received for payment by the Area must be forwarded to the Area Treasurer for payment, if not already paid, within five days of receipt.
- The Area Treasurer must be notified of any checks written on the Area bank account without his or her knowledge within 48 hours of the issuance or delivery of such check for payment of any Area expense.
- All bank withdrawal transactions and Area checks shall be noted with the appropriate legacy National Accounting Program (NAP) code denoting the purpose for such transaction. Note: the current Area software accounting platform is ZipBooks.

4) Monthly Bank Account Reconciliation

The Area Treasurer shall reconcile the Area bank account monthly. Another Board Member, who is not authorized to sign on the account, shall verify this reconciliation.

ARTICLE NINE

DISPUTE RESOLUTION

1. General

It is the policy of the Area to resolve all disputes involving persons involved in Area in an amicable way. Compromise should be emphasized whenever possible and personality conflicts should be avoided. If disciplinary action is found to be necessary, it is the Area's policy to take only the minimum action necessary. All means available should be taken to avoid legal action.

It is the policy of the Area to avoid punishing the players for the conduct of the parents, except where there is no other solution (e.g., where a parent cannot or will not cease their disruptive behavior).

It is the policy of the Area to avoid wiping out years of good memories of AYSO and good service to AYSO, and that suspension or removal procedures are to be used only as a last resort. Voluntary resignation is preferable to a suspension or removal procedure.

It is the policy of the Area to avoid publicizing the suspension or removal proceedings beyond those persons who need to know, and to respect the privacy of the individuals involved. However, the Area Director should notify the Section Director, AYSO Office, or members of the AYSO Legal Commission of the pending proceedings pursuant to the operating regulations, and must comply with all applicable regulations and laws requiring suspension, abuse, and similar events.

2. General Due Process Procedures

- a. Disputes involving day-to-day activities of the Regions should first be addressed and resolved, if possible, by the appropriate Region Commissioner in charge of the activity and/or then by the Area Director, if necessary. Disputes arising out of Area game conduct should first be addressed and resolved, if possible, by the Area Administrator and/or then by a disinterested Review Board appointed by the Area Director and/or then by the Section Director, if necessary.

b. If it is determined that it is necessary that a person involved needs to be disciplined, or that their participation in the Area should be limited or terminated, then the Area Director or designee shall give notice, in writing, to such person of such intention. Such notice shall specify the action to be taken and the reasons therefore. Such notices shall further notify such person that he or she, upon request, will be given a reasonable opportunity to explain why such action should not be taken. Such opportunity to respond may be in person at a hearing, by telephone, or in writing. The Area Director may appoint a disinterested Committee of neutral persons to consider such discipline. After such opportunity to respond has been given, the Area Director or Committee shall make its determination and announce it in writing to all persons concerned.

3. Suspension

The Area Director may suspend a person involved in the Area from further involvement in the program on notice (by telephone, fax, writing, or in person), if there is found to be an imminent danger to the program by his or her continued involvement, or if such participant has allegedly committed crime. A disciplinary hearing described in paragraph 2, above must follow such a suspension. A suspension is considered temporary in nature, and such suspension may be removed or set aside by a simple majority vote of the Area Board at any time.

4. Removal

The Area Director may remove a person (whether or not suspended); who is involved in the Area, including a Board or staff member, from further involvement in the program. Such removal may only be made upon prior notice, and after a determination is made, that removal is appropriate, as the result of a disciplinary hearing described in paragraph 2, above. Such removal is only permitted when there is found to be: (a) a violation of the National Bylaws or of the rules, regulations, policies or philosophies of AYSO, or (b) conduct which disrupts the Area's or AYSO's activities or programs.

5. Hearing Procedures

The disciplinary hearing shall be held at a neutral location. The hearing procedures shall be communicated to and understood by all parties before the commencement of such hearing. All interested parties are to be informed of the date, time, and location of such hearing.

At the hearing, the Committee shall listen to the facts of the situation from all interested parties, and then adjourn to a private session, where the decision will be reached. Under no circumstances shall the Committee deliberate in the presence of the parties involved in the dispute. The Committee will then decide the issues raised pursuant to AYSO operating regulations and these Area guidelines. The decision will be based on the evidence submitted. The committee will vote, and by a simple majority, determine the appropriate action, including whether no action should be taken against the individual accused, or whether such person should be given a warning or caution, or whether such person should be given a written reprimand, or whether such person should be suspended or removed from involvement in Area activities. All interested parties shall be promptly notified of such decision after, in the case of removal, and where deemed appropriate, such individual is given an opportunity to resign voluntarily.

6. Review

Any determination made in accordance with this Article shall be final and binding on all concerned unless it is determined by the Section Director, that such determination was arbitrary and capricious, or that the procedure was not fair, or that the person or persons making such determination are found not to have been disinterested. Any interested party dissatisfied with the final decision or final action taken by the Area Director may request a review of such decision by the Section Director, as may be appropriate, pursuant to the operating regulations relating to dispute resolution and due process.

ARTICLE TEN

1. Approval of Guidelines

These Guidelines shall become effective after being approved by the Area Director, the existing Area Board, the Area executive membership, and then submitted to the Section Director and the National Board of Directors.

2. Changes in Guidelines

Once adopted, these Guidelines may only be amended by the Area Board, the Area executive membership, and then submitted to the Section Director and the National Board of Directors for final approval.
