

AYSO 114
Yearbook Information

Hi everyone,

My name is Erika Rodriguez and I am extremely excited to oversee the yearbook this season! I joined Region 114 about 5 years ago and every season just gets better and better. Thank you for being here for your children today and for helping to make this entire operation possible. Without you, there is no AYSO 114.

Due to the considerable number of players, the AYSO 114 Yearbook is a massive undertaking. I will rely heavily on your help to make it happen. Each team will be responsible for creating a team page. It is up to you how you want to design it! However, you must include a couple of things on the page which are listed on the next page of this packet.

Finally, I want to make sure you know that I am always just an email away. My goal is to make sure that all teams are represented in the yearbook. I am committed to this project and will make myself available to help with any issues that you may encounter.

Kind Regards,

Erika Rodriguez
