

Uniform Policy and Procedures

Uniform Order Process

As part of our registration fees, Hesperia AYSO Region 878 provides uniforms to our players. These uniforms are ordered as soon as team formation is completed. For the best scenario, this requires that all volunteer coaches be secured prior to rostering teams.

The uniform order process takes 4-6 weeks from time of order acceptance to shipment..

Uniform Size Selection

Uniform orders are placed based on the custom sizes selected during the registration process for player jerseys, shorts, and socks. Some divisions and programs may vary slightly in the uniform pieces provided.

Our current uniform distributor is Score Sports. The sizing chart below provides additional details to help you with selecting the correct size.

- SCORE® YXXS Similar to a 3-4
- SCORE® YXS Similar to a 4-5
- SCORE® YS Similar to a 5-6
- SCORE® YM Similar to a 7-8
- SCORE® YL Similar to a 10-12
- SCORE® AS Similar to a 14-16

Important

When registering a returning player, the system will pre-populate the size selected in the previous season.

Ensure this is still correct and update as needed. This is the most common reason for an error in ordering the uniform. This error would be the financial responsibility of the player family.

When you have determined that a change to the uniform size ordered is required, you must follow the below process to minimize the chance of error.
