

AYSO Region 46 Points System - Fall 2023 - Non-Competitive Divisions (blue game cards)

The following describes the AYSO Region 46 Points System for the **U6, U7, and U8 divisions**, which are considered non-competitive. All games throughout the fall season are “friendlies” so goals are not counted and wins, losses and ties are not captured or tracked.

Game cards are used to capture substitutions, sportsmanship points, referee information and field monitor information. Data from the game cards is captured and tracked as described in the two sections below.

Volunteer / Bonus Points

Teams have the opportunity to earn volunteer / bonus points throughout the season by completing the following activities:

1. **Coach Meetings:** each team will receive 1 point for attending each of the mandatory coach meetings (pre-season, meet the coach staff, mid-season and player evaluation) [season total potential: 4 pts]
2. **Referees:** each team will receive 1 point per game for providing a qualified referee for each game (up to 12 points) – The referee **MUST** sign on the back of the game card with their **NAME**, **Division (B/G 6U, 7U, 8U)** and their **team number/coach name**. Without all information, credit cannot be given. [season total potential: 12 pts]
3. **Field Painting:** each team will receive 1 point for assisting in field painting on Wednesday, Thursday or Friday before game day. Schedule will be released along with game schedules.

Sportsmanship Points

Generally, referees will award 2 points each for players, coaches and parents. A point may be added or subtracted to each category based on actions that occur during the match. If a player, coach or parent is sent off during the match, they will earn 0 points in that category. Teams with the highest total sportsmanship and volunteer/bonus points combined in each division and pool will be awarded the Team Sportsmanship Award at the end of the season.
