

AYSO Region 46 Referee Abuse Policy

The attached referee abuse policy will be enforced by AYSO.

I have read and understand the new referee abuse policy from US Soccer, and understand that AYSO will be implementing a zero tolerance of referee abuse. As such, my e-signature acknowledges that I have read and understand the new referee abuse policy. Furthermore, if I am in violation of the new policy, I will accept the consequences as outlined.

E-Signature will be sent to the primary account holder (on file), and all parents MUST SIGN the electronic signatures before uniforms are issued.
