

AYSO Region 46 Referee Points System - Fall 2025

The following describes the AYSO Region 46 Referee Points System for the **U10, U12 and U14 divisions**.

The referee point system is completely independent of the game point system, and will not impact standings per se. However, there is now a new requirement for any team to advance to playoffs.

Details are below:

Regular Season - Based on 10 game season

Center Referee (For any game except your own) 1 Point/ Game

Assistant Referee (For any game including your own) 1 Point/ Game

- Requirement for Playoff Berth - 13 Points
- Maximum of 8 Points can be earned during the first 5 weeks
- Maximum of 8 Points can be earned during the last 5 weeks
- Additional points above the requirement may be used for sportsmanship tie breaker awards.
- Each team is required to provide 1 assistant referee for each game played. You must sign up on the online scheduler before Thursday. On Thursday sign ups open to all other referees
- If no center referee shows up for a game the teams playing can provide one. They will earn 1 point for providing a center referee. If they also provide a certified assistant referee they can earn an additional 1 point. Comments must be made on the back of the game card and have Board Member signature to receive both points.
- Points can only be assigned to 1 team per game.
- Referees must denote team (B 12U #5) on both game cards to receive credit.
- Referees must be certified with all additional safety training complete to receive credit.
- Referees must be in proper uniform (Jersey tucked in, Black Shorts, Black Socks) to receive credit. Any uniform infractions by assistants must be denoted on game card by referee.

Playoffs - Based on 3 Games/ Round

- 3 Points required to advance to next round

- Center Referee (For any game except your own) 1 Point/ Game

- Assistant Referee (For any game except your own) 1 Point/ Game

I have read and understand the new referee point system. I will keep a copy on hand during the season. An electronic signature will be captured.

E-Signature will be sent to all coaches, and all coaches MUST SIGN the electronic signatures before uniforms are issued.
