

AYSO Region 1441 MISCONDUCT PROCEDURES

- Effective beginning with the Fall 2023 Season, the following matrix shall be utilized in connection with any match related misconduct involving one or more teams from AYSO Region 1441.
- This matrix shall be utilized as a guideline for AYSO Region 1441's Regional Commissioner or designee.
- The Misconduct Director and/or any hearing panel may recommend additional sanctions to those contained in the discipline matrix.
- Misconduct cases shall fall into one of two categories:
 - **Sanction Only Cases:** Using the guidelines set forth, certain offense will not require a formal hearing. In these instances, the players, coach and regional commissioner will work to find a solution without a formal Dispute Resolution hearing. The suspended player may always ask for a hearing if they desire.
 - Misconducts Requiring a Formal Hearing by a Region: Using the guidelines set forth in Misconduct Matrix, certain offenses require the individual(s) accused of misconduct to attend a formal hearing <u>before</u> <u>being permitted to play in, coach and/or attend another AYSO match.</u> In these instances, the Regional Commissioner or designee will notify all parties that a formal hearing will be convened and all shall cooperate to the fullest extent possible to facilitate a speedy hearing.
