OLD NEWS

Ref Course- approx 45 people showed up to the course. A handful have shown up to center. Ricardo would like to set up a forum to see how things are going, what they still need, etc.

NEW NEWS

Season update- All is working out well, so far.

Picture Day- 14u was canceled this year, and it seemed to be a blessing. Many people were able to come and help. All games and pictures were on time. Everyone seemed to be content with the day. Parking was challenging and some children missed their team pictures.

We need to convey the message to parents about the logistics about picture day (forms not needed, etc.)

Volunteer Coordinator- Position open.

Galaxy Game - 9/17

If you need more tickets, please let Josh know. Pay for your tickets (\$28/ticket), and they will be sent to you. Josh would appreciate help with closing the fields on this day, so he can be there to help set up for Region Night. He cannot be in 2 places at once.

We need to recruit from within. Coaches should be looking at their parents to see who is willing to help more. The parents willing to come to field prep and snack shack are the ones who would be willing to help out more. Let's recruit!

FUTURE NEWS

- Spring Select (Jose's suggestion)
- Make-up picture day 9/24 tempting, 3:00pm approx. We won't know until that week.

Next Board Meeting: Sunday, October 2, 2022
