Select the **Regional Referee Online + In-Person Companion Course**. *A note for our U8 Referees. We suggest that you take the Regional Referee Course. Our U8 is run as more of a modified U10. It will be more beneficial to take the Regional Course and you won't have to do it again when you move up in age divisions. However if you choose to only take the 8U official course you will be able to referee U8 games only and you will not need to take the in-person class portion.
