# **AYSO Lineup Card Instructions**

This is a "Form" PDF. It allows you to fill in the contents on any one of the lineup cards, and it will prepopulate across the other three line-up cards.

- Save the pdf to your computer
- Suggest that you input just the information that is constant every week.
  - o Region #,
  - o Age group,
  - o Team#
  - o Team name
  - o Coach's name
  - Asst Coach's name (if relevant)
  - o Then list Jersey number and player name
  - List players by jersey number.
- Depending on your version of Acrobat, you may not be able to save the edited form. So print off enough copies for the entire year unless you enjoy re-entering the information.
- For the referee's benefit, try to print off onto heavier stock paper, and print page 3 onto the back of page 2
