

AYSO Region 491 Refund Policy - 2019

We understand there are unforeseen circumstances in which you may decide to withdraw your player registration. Please keep in mind that this decision impacts not only the region financially, but team balancing, team formation, volunteers and those waiting to be placed. Therefore, we ask that refund requests be submitted as early as possible.

Full refunds will be given if:

1. The refund request is made before the first scheduled game is played and the player's jersey is still in a good, wearable condition.
2. The region is unable to form a team in an age division

The National Dues fee will not be refunded.
